QUALIFICATION TITLE Diploma of Bushfire Protection Assessment

QUALIFICATION DESCRIPTION

This qualification reflects the skills and knowledge required by individuals whose work involves bushfire protection assessment and the application of relevant planning, development, and building legislation and policies. Individuals with this qualification provide advice in a range of government and private practice contexts on planning and building requirements in bushfire prone areas to improve bushfire resilience and safety

No licensing, legislative, regulatory, or certification requirements apply to this qualification at the time of endorsement.

ENTRY REQUIREMENTS

There are no entry requirements for this qualification.

PACKAGING RULES

To achieve this qualification, competence must be demonstrated in 10 units of competency consisting of:

- **5 core** units
- **5 elective** units.

Up to X of the x electives may be selected from any current training package or accredited course provided they contribute to a valid, industry-supported vocational outcome, maintain the Australian Qualifications Framework (AQF) alignment of this qualification, and do not duplicate the outcome of another unit used to achieve the qualification.

Commented [RB1]: There has been discussion that there should be no core, and that there be Specialisation core for different job roles.

SME Advice sought

Commented [RB2]: Is 10 enough for your qualification

For consideration.
While Bushfire Consultants may be one prospective target, there may be others who wish to do the qualification for other reasons. Flexibility in the qualification should be provided in the number of Core and the range of electives on offer.

Commented [RB3]: Should all Diploma students have these skills up front?
Are there others?

Commented [RB4]: Please note this unit is up for review in the coming weeks

Commented [RB5]: Feedback received that GIS unit should be an elective.
SME Advice sought

Commented [RB6]: Are there others to develop or select from existing units in other Training Packages?

Commented [RB7]: Feedback received that either CPPBAL5XX2 or XX3 should be a core unit.

CPPBAL5XX4	Assess compliance of building design for bushfire resilience
