

QUALIFICATION CODE CPC30920

QUALIFICATION TITLE Certificate III in Scaffolding

QUALIFICATION DESCRIPTION

This qualification reflects the role of individuals working in the area of scaffolding operations in the residential and commercial construction industry.

Occupational titles include scaffolder.

This is a licensed occupation. Users should check requirements with their relevant licensing authority.

The qualification includes units of competency that cover common skills and knowledge for the building and construction industry, as well as those that are more specific to scaffolding work.

Completion of the general construction induction training program, specified in the Safe Work Australia model *Code of Practice: Construction Work*, is required by anyone carrying out construction work. Achievement of CPCCWHS1001 *Prepare to work safely in the construction industry* meets this requirement.
