

# Qualification

## Modification History

Release	Comments
3	CPC30120 Certificate III in Shopfitting supersedes and is equivalent to CPC30116 Certificate III in Shopfitting. This version is released with CPC Construction, Plumbing and Services Training Package Release 7.0.
2	CPC30116 Certificate III in Shopfitting supersedes and is non-equivalent to CPC31812 Certificate III in Shopfitting. This version first released with CPC Construction, Plumbing and Services Training Package Release 4.0. Two imported units updated to latest releases: <ul style="list-style-type: none"><li>• BSBSMB421 supersedes and equivalent to BSBSMB406</li><li>• MSFGG3036 supersedes and not equivalent to MSFGG3017</li></ul>
1	CPC31812 Certificate III in Shopfitting supersedes and is non-equivalent to CPC31811 Certificate III in Shopfitting. This version first released with CPC Construction, Plumbing and Services Training Package Release 2.0.

**Qualification code** CPC30120

**Qualification title** Certificate III in Shopfitting

## Qualification description

This qualification reflects the role of shopfitters who construct or renovate commercial premises such as retail or office environments. It includes skills and knowledge to work safely using tools and equipment and to apply information from plans and drawings to fabricate, assemble and fix shop fronts and install internal units and partitions.

Occupational titles may include:

- Shopfitter

State and territory jurisdictions may have different licensing, legislative, regulatory or certification requirements. Relevant state and territory regulatory authorities should be consulted to confirm those requirements.

This qualification is suitable for an Australian apprenticeship pathway.

## Entry requirements

Nil.

## Packaging rules

To achieve this qualification, competency must be demonstrated in:

- 18 units of competency:
  - 12 core units
  - 6 electives
- a minimum of four units must be selected from Group A
- two units can be selected from any group, current training package or accredited course as long as they contribute to a valid, industry-supported vocational outcome and maintain the AQF level of this qualification.

### **Prerequisite units of competency**

An asterisk (\*) against a unit code below indicates that it has a prerequisite. Check the unit of competency for information on prerequisites. All prerequisite units are packaged in the qualification.

### **Core Units**

CPCCCM3004	Identify and apply information in construction plans, drawings and specifications
CPCCCM3006	Carry out levelling operations
CPCCJN3001	Process materials to produce components using static machines
CPCCSH3001	Fabricate shopfitting components using CNC machines
CPCCSH3002	Fabricate and assemble shopfront structures
CPCCSH3003	Assemble and install shopfront structures
CPCCSH3004	Assemble internal shopfitting units and prepare for transport
CPCCSH3005	Apply and trim decorative additions to shopfittings and components
CPCCSH3007	Install prefabricated internal shopfitting units
CPCCSH3008	Install internal shop walls and fixtures
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCWHS3001	Identify construction work hazards and select risk control strategies

### **Elective units**

#### **Group A**

CPCCSH3006	Prepare shopfittings and surfaces and apply liquid finishes
CPCCSH3009	Demolish shopfronts and bulkheads
CPCCSH3010	Prepare shop floors for new coverings
CPCCWC3004	Install suspended ceilings
MSFFM3009	Produce manual and computer-aided production drawings
MSFFM3011	Measure and draw site layout for manufactured furniture products
MSFFM3020	Fabricate synthetic solid surface products
MSFGG3036	Install commercial glazing products

#### **Group B**

BSBSMB301	Investigate micro business opportunities
BSBSMB421	Manage small business finances
CPCCCA2002*	Use carpentry tools and equipment
CPCCCM2010	Work safely on scaffolding higher than two metres
CPCCCM3005	Calculate costs of construction work
CPCCLHS3001	Licence to operate a personnel and materials hoist
CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry

#### **Qualification mapping information**

Supersedes and is equivalent to CPC30116 Certificate III in Shopfitting.
