

Qualification

Qualification code CPP40821

Qualification title Certificate IV in Access Consulting

Qualification description

This is a qualification for access consultants who work independently using specialised knowledge to conduct a range of access consulting services, including providing specific advisory and audit services and assessing buildings, sites and plans for the provision of access for people with disability. Access consultants interpret and apply the requirements of relevant legislation, codes and standards, including building control and anti-discrimination legislation and the National Construction Code (NCC), to ensure compliance of provisions for access.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Packaging rules

To achieve this qualification, competency must be demonstrated in:

- 20 units of competency:
 - 12 core units
 - 8 elective units.

For the elective units:

- up to 8 units may be selected from Group A
- up to 2 units may be selected from Group B or any currently endorsed Training Package or accredited course at the Certificate IV or Diploma level provided they contribute to a valid, industry-supported vocational outcome, maintain the Australian Qualifications Framework (AQF) level of this qualification and do not duplicate the outcome of another unit used to achieve the qualification.

Core units

BSBINS401	Analyse and present research information
